

HELP YOUR CUSTOMERS GET CONNECTED

Get a **FREE Nest Power Connector** when you buy any Nest thermostat from Aug. 1 to Sept. 31, 2021*

The Nest Power Connector helps prevent power issues so your customers can get the most out of their Nest thermostat.

EASY INSTALLATION

Connect your customers in a flash. This simple alternative to a C wire attaches at the furnace, air handler or zone controller—no new thermostat wiring and no drilling required.

THOUGHTFULLY DESIGNED

It's IP51 rated for dust and water, and the wired connectors and sticky pad are built to streamline the installation process for you. It's also made from 46% recycled plastic.

MADE BY NEST, FOR NEST PRODUCTS

Since the Nest Power Connector is designed specifically for use with Nest thermostats, you can install it with the confidence that you're using the perfect product for the job.

**Offer available in-store only. While supplies last.*
